RE: TRAINING WORKSHOP ANNOUNCEMENT

The African Centre of Excellence for Innovative Rodent Pest Management and Biosensor Technology Development is inviting you to attend a Training workshop on **Scientific Capacity Building** to be held at **SUA- Pest Management Centre** from **23-25, July 2018**.

The training will be led by Prof. Steven Belmain from Natural Resources Institute, University of Greenwich, United Kingdom.

Target group includes Postgraduate students (PhD and Masters) and Young Research Scientists.

The main idea is to provide capacity building on research and scientific writing which includes:

- How to write a scientific paper
- How to write a grant proposal
- Experimental design, research methods, data management
- How to critically evaluate scientific papers
- How to make a scientific presentation with Power point

Those interested are required to make a formal application to undersigned. Closing of application is **30th June 2018**.

You are all welcome.

Christopher Sabuni (PhD)
